

A Message from Poss

March / April 2017

Hi everyone!

I hope you are all well and have enjoyed your school holidays. Easter will have already passed by before you receive my newsletter, but I hope you enjoyed some happy times and some treats as well. I certainly did, lots of fresh fruit and sunshine was what I enjoyed the most.

Did you go away for the holidays? Did you Have fun? Maybe you took some photos, I'd love to see them. My friends I was went along to the botanical gardens

where we played games, had a picnic lunch and found lots of new plants that we'd never seen before.

The weather has been really bad lately with the cyclone called Debbie sending lots of wind and rain everywhere. I hope you an your families have not been affected by the big event. Some of my animals friend had to find higher ground to stay safe and dry. It was a bit scary.

It's also ANZAC Day coming up soon. It is always a great day to remember and celebrate the courage and gifts of our soldiers who fought to keep us all safe. I have put an old fashioned Aussie recipe in the newsletter this time. I hope you enjoy it.

We had a great purple month at Epilepsy Queensland this year. I have shared some photos with you. I wonder how you spent purple day? Did you dress up? Did you wear purple? Why don't you let me know how you spent purple day? I will pick the best entry and send you a surprise gift. You can send your photos or letters to Little Poss at the address below. It will reach me there!

You must be a member of my Little Club to be receiving my emails, so don't forget to keep June 10th free. I will be having my birthday party on that day at Darling Point Special School in Wynumm. Hope you can join there. I will send you an invitation soon. Have a great month!

‘Spotlight On’

Little Poss ‘Member of the Month’

Hello my name is **Annabel**,

I am 24 years old and have had myoclonic epilepsy since birth. I keep busy with life skills programs at Endeavour and Centacare as well as doing dancing and Special Olympics bocce at Newmarket Bocce Centre.

Here I have fun as well as being involved with Competitions throughout the year such as the up and coming State Games. I love children, singing, music, animals and going to the dog park.

Recently I went to the James Taylor concert which I really enjoyed. Some of my favourite singing artists are Dolly Parton and John Williamson.

Bye for now!

Ask Dr Dudley

Dear **Dr. Dudley**,

If I eat too many chocolate Easter eggs at Easter time, will I have a seizure?

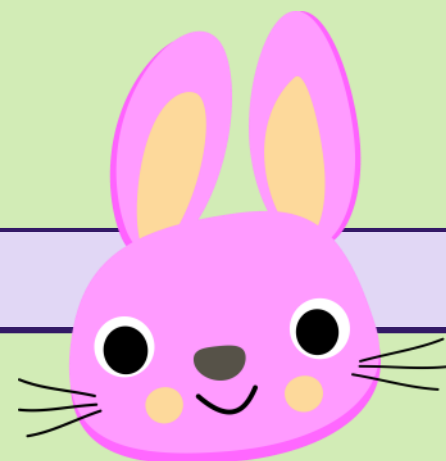

Thomas

Dear **Thomas**,

I don't think eating too much chocolate will cause you to have a seizure, but it might make you feel sick in the stomach! Then feeling sick and unwell may be a trigger for a seizure. It's always a good idea to eat healthy food. Avoid lots of sugary foods like chocolate, cakes, biscuits and lollies. Eating too many of these foods makes the amount of sugar go up in your blood quickly. After a while, it drops back down again. If this happens a lot, it can cause seizures. This doesn't mean you can't eat sugar at all. You just have to find a healthy balance.

You should also make sure you have breakfast, lunch and dinner every day.

Dr Dudley
