

A Message from Poss

September / October 2017

A big hello to all my friends!

I trust you all had a good September school holiday! I did! As always I spent my days playing with my friends. I think it's really good and special to have friends that I can share my life with. I am very lucky. It's good for me to know they are there for me and it's good for them to know that I am here to support them. Especially if I need am hurt or I feel sad, they can call for a grown up for me!

Are you all having a good last term at school? There are a few things happening aren't there? Like exams! Yuk but it's good when they are over. The weather is getting warm again, and I know that's important for all of us to watch out for sunburn, to remember to wear sunscreen when we are out playing. Also to be aware of getting overheated if we are in the sun for too long. In Queensland it's usually a long hot summer and it's just starting now.

It might be Halloween by the time you get my newsletter. If you are going trick or treating, you will have fun I'm sure. Don't forget to save some treats for later, too many sweets can be hard to eat all at once, and not good for your tummy. Have fun anyway.

I'd love to hear from you if you have time to send me a letter or some photos of yourself. Do remember your friends, they are important to all of us.

Little Poss

What's coming up!

In-house Epilepsy & Midazolam training at Woolloongabba (2 sessions 19 October) **19 October**
16 November

Gold Coast Epilepsy & Midazolam training (Gold Coast Neurology, Benowa) **15 November**

‘Spotlight On’

Little Poss ‘Member’

Ruby

Hi I'm Ruby,

I'm a Rosella and also a friend of Little Poss. We go to the same school and live in the same neighbourhood. I love going to school as Miss Roo is our teacher and she is so much fun. We have lots of other friends too, like Eddie Emu and Wally Wombat. Sometimes I have a ride on Gertie Goanna's head, he likes to run very fast!

We all know how to take care of Little Poss if he has a seizure, however he is really good at looking after himself. He gets lots of good sleep and eats his meals regularly too. He really likes bananas!

Do you know what a Rosella is? I'm a bird and I have red and blue feathers, I'm really pretty and I can fly really fast. I let Miss Roo know if Little Poss needs help because I can get there quicker than anyone else.

We all like living in Ningaloo, it's a very special neighbourhood, as we all look out for each other. It's my happy place! There are lots of gums trees and wildflowers there too.
Bye for now

Ruby

Ask Dr Dudley

Dear Dr. Dudley

I have epilepsy. Will I ever be able to drive a car?

Fred

Dear Fred,

The only time people are unsafe to drive a car is when they are having a seizure. However, the difficulty is we don't often know when someone might have a seizure as they are mostly unpredictable. For some people their epilepsy medicine doesn't always stop their seizures all the time. For other people, their epilepsy medicine stops their seizures very well, so they are allowed to drive a car. And then for many other people, they feel unsafe driving a car so they choose not to drive at all. They don't want to take the risk of having a seizure when driving.

If your seizures are well controlled with medicine, then you can get your learners permit and move onto to getting your license, but if you have seizures every now and again, you might wait until they are more well controlled. In Queensland, the Transport Department can help you understand more about driving with epilepsy, and your neurologist can help you too.

Dr Dudley

How many words can you make from this word?

KOOKABURRA

Little Poss' Word Search

These are more of my friends.

Can you see if you can find them in this word Search?

Australian Animals Word Search

POSS' BRAIN TEASERS

A cowboy rode into town on Friday. He stayed in town for three days and rode out on Friday. How was that possible?
Friday was the name of his horse.

One night, a king and a queen went into a castle. There was nobody in the castle, and no one came out of the castle. In the morning, three people came out of the castle. Who were they?
The knight (night), the king, and the queen!

Did you know?

That cats sleep 14 hours a day? My friend Cathy the Cat sleeps in her own bed most of that time!
That mice live up to 10 years? Wow, I didn't!
That Rabbits are born blind? No, I didn't either!!

Little Poss' Healthy Recipe

Who likes
eating
vegetables?

'I do',
says Little Poss!

Vege Pikelets

What you'll need to make these, apart from help from a grown up, is:

2 cups self-raising flour

6 eggs

4-5 cups of mix vegetables, finely chopped or grated

1/2 - 1 cup grated cheese

A drop of milk and a drop of olive oil

Some sour cream, to serve

Then:

Mix flour, eggs, veggies and cheese together in a large bowl. Add seasoning, then add enough milk to the mixture until it is slightly runny.

Heat a frying pan with a small amount of olive oil and drop a tablespoon of the mixture into the pan, patting into a neat circle. Cook on a medium heat until golden on each side.

Serve with sour cream. You can use all kinds of veggies in this recipe. Try adding finely cut or grated carrot, zucchini, capsicum or corn for a vegetable sensation!

Or you can even use fruit, like berries, grated apple or banana, that's my favourite! *Enjoy!*

A reminder from Little Poss!

Don't forget two things!

Remind your Mum and Dad, family, friends and teachers about the

1. Eight Annual Queensland Epilepsy Symposium! 'Thinking Outside the Box'

This years theme: 'What's new in the epilepsy world'

When: Thursday 26 October, 2017

Where: Russell Strong Auditorium, Princess Alexandra Hospital!

This years program looks interesting, with speakers from everywhere, Dr Piero Perucca from Melbourne, Dr Sasha Dionisio from the Mater Hospital, A/Professor Lata Vadlamudi from RBWH, Professor Harry McConnell, Dr Rian Rob, Ms Ruth Blackburn, Dr Dan McLaughlin and A/Professor Cecilie Lander, they will all be speaking about their favourite topics!

2. Epilepsy Queensland Annual Awards Evening!

For very special people who make a difference for people with epilepsy!
Do you know someone who makes difference?

Your mum or dad? **Brother or sister?** **School teacher?** Carer? **Footy coach?**
Swim teacher? **Ballet teacher?**

Lots of people make a difference in the lives of others. We would love to hear about them so we can celebrate their efforts at our AGM and Awards Evening on 4 December, 2017

Who is the star in your life?

Please let me know as I'd love to do a profile of them and make them famous!

For registration or nominating, please see form enclosed in the newsletter!

WE RESPECT YOUR PRIVACY

We hope you enjoy reading our Little Poss Newsletter.
However, if you do not wish to receive the Little Poss newsletter anymore,
please let me know by calling
